

This is to certify that

Anant Raj

successfully passed the examination for

Data Engineering Professional Certification

The Professional level is the first of two certification levels and is rewarded for solid experience in the topic. Some of the topics tested at this level are:

Data Access, Basic Transformations, Working with Multiple Data Sets, Pivot Tables, Routines and Simple Text Processing.

This certificate can be verified using the corresponding open badge which was issued by Altair Engineering Inc. to the certificate holder. The certificate holder can provide a link to the validated badge on openbadgepassport.com or another open badge service.
